Thank you all for your enthusiastic participation and we hope you enjoyed the rallye. We encourage newer CM-gimmick rallyists to stick with it . . . you'll be surprised how many more gimmicks you'll catch once you have a few rallyes under your belt. And to 1st timers . . . now you know how to look for coursemarkers (flags)!

We appreciate seeing lots of "new faces" on the rallye. Please tell your friends about rallyes and have them visit eldoradotouringclub.com and therallyeclub.org for more information and an events calendar.

Special thanks to those who came from far and wide in search of booty! A one-hour (or longer) "traverse" to and from the rallye makes for a long day, and we appreciate your support and commitment.

Dread Pirate Thomas apologizes for forgetting tiebreaker slips for at least 4 cars. He said the excitement of trying to make you "walk the plank" got him all flummoxed. Fortunately, there were no tie scores. He's in the brig until we find out what "flummoxed" means.

If you receive these results via U.S. mail, we don't have your e-mail address, or it may be unreadable.

To be added to our mailing list, send your e-mail address to: eldoradotouringclub@yahoo.com.

We'll waive the 882 gold coin registration fee, but just this once! Arrrrr . . . one last pirate joke!

Happy rallying!

Lloyd and Janis Hill
and the El Dorado Touring Club

Captain Lloyd and First Mate Janis

Laura Boet Amanda Boet Ted (Grumpy) Boet
(and an unidentified swabby)
