The El Dorado Touring Club would like to thank TRC for allowing us to present this 35th anniversary edition of April's Fool. A special thanks to Chris Wendt who went above and beyond helping at the start and for helping to fix the Waverley sign into Waverly. Thanks to Abby Grossman and Bill Jonesi for prechecking the rallye. Thanks to our support staff of Jim and Carla Moore, Ted and Karen Rios, Laura and Amanda Boet and Debbie Kenoyer. Their hard work at the start, checkpoints and finish made our job easier.

All cars were credited with CP1, 2 and 3 whether they made it to them or not. EDTC is sorry for marker AX22 being difficult to find past the signal on Embarcadero. It was placed at its location to make the U as easy as possible but was partially hidden behind a tree limb.

Congratulations to all of the winners and a special congrats to Jeffrey and Juliana Martin car N4. They were the only car to have every answer on the IQ test correct as well as tiebreakers 2 and 3.

On a strange note was that all 6 cars in the novice class chose the number 2 as the answer to the third tiebreaker.

Again thanks to all who attended and we look forward to seeing you all for the next EDTC event.
